Hi Misty,

Attached are the images the students will be using on the boxes. The "1" image will be on 2 sides of the box with the design under the picture as the background on the entire box. The side facing the street will say "Keep it Clean" using the fonts attached. I suggested we color the "Keep it Clean" using our colors. The students began putting their designs on the boxes today and will begin painting tomorrow when the paint gets delivered. Let me know if you have any questions.
